

ALL NATIONS

2015: A GREAT BEGINNING

Josh and Daniel at Modesto Junior College

**Go... make disciples of all nations.
-Jesus**

We dream about discipleship movements (spiritual renewal) on college campuses everywhere. In 2015 we got to see the beginnings of our dream becoming reality. Here are some highlights:

- 1) Discipleship movements on five campuses.
- 2) The beginnings of discipleship movements on five additional campuses.
- 3) God called the Hensleys to join the Yorks full time with All Nations.
- 4) Four students put their faith in Christ.
- 5) More than 20 students on three different campuses are equipped and passionate about sharing their faith and making disciples.
- 6) We are seeing the beginnings of expanding our ministry even to other states. (Stay tuned!)

The York Update

The year has been a challenging one as we have continued to deal with Josiah's illness (PANDAS). We have also seen wonderful improvement for which we praise the Lord! Multiple doctors have believed that Lyme disease is the root cause of Josiah's illness (and Janelle's and Olivia's health problems as well). In October, they went through treatment by a doctor specializing in Lyme. We are so thankful they are all showing signs of improvement! Our move to Sonora has helped tremendously with Josiah's symptoms. We look forward to a complete recovery. Pray with us that this will happen in 2016.

Want to get more involved?

- **Pray:** Praise God for what He has done among us in 2015! Please pray for a fruitful year of disciple-making in 2016. For more prayer opportunities, check out our blog at: <http://www.allnationsadm.org/blog>
- **Give:** We are still in need of monthly partnerships and launching gifts. There are simple ways to give at www.allnationsadm.org/financial-partners.html
- **Make Disciples:** We believe that YOU could be incredibly effective at discipling college students into disciple-makers. Contact us if you'd like to explore the possibility of making disciples on your nearby campus.
